A LOWER PROFILE TRU-COMFORT 2 OPTION

TRU-Comfort 2 SPP and Essence SPP FEATURES

Comfortable and contoured **skin protection and positioning** option to meet low and high profile positioning needs

Adding the benefit of **Sunmate FRG foam** to the Essence at the beginning of 2021 for improved immersion, moisture protection and durability over time

Specially formulated **molded foam bases** for optimal lower extremity and pelvic alignment

The Essence has the option of **quick positioning adjustments** with precut wedges for more posterior pelvic support or to accommodate/correct obliquities
