PRIDE® FDA CLASS II MEDICAL DEVICES ARE DESIGNED TO AID INDIVIDUALS WITH MOBILITY IMPAIRMENTS.

1) Previously named Jazzy Zero Turn. 2) Previously named ZT10.

* Group 2 POVs must be billed to Medicare as either a beneficiary requested upgrade with a properly executed ABN, or as an upgrade at no additional charge to the beneficiary.

** A Power Mobility Device which has not been reviewed by the PDAC or which has been reviewed by the PDAC and found not to meet the definition of a specific power operated vehicle (HCPCS K0899) will be denied by Medicare as not reasonable and necessary. Funding sources that do not follow Medicare code guidelines may not require PDAC code verification.

*** This product is not a medical device and is NOT intended to assist, treat, diagnose or alleviate any medical condition or disability.

DME providers are responsible for determining appropriate billing codes when submitting for insurance reimbursement. HCPCS codes should not be considered as legal advice and do not guarantee reimbursement. Payer coding, coverage, and bundling guidelines may apply.
