INTRODUCTION

This form is interactive when viewed with [Adobe Acrobat Reader](#) and may not function correctly if opened with applications other than Acrobat. Complete the form by placing checks in the desired boxes and provide information in the interactive fields. Buttons shown at the bottom of the form may be utilized to print or submit the order form through a desktop email application. To email via a web-based application, please 'Save As' and attach the PDF to your email.

Please contact Quantum Sales at 866-800-2002 if assistance is needed. Send the completed order form by fax (866-707-3422) or email (quantumorders@pridemobility.com). Incomplete forms may delay the quote or order. Customer service will contact you if the order is incomplete or if there are compatibility issues. If special order requests are needed, be sure that the Patient Information section is completed or include a completed [physical assessment form](#) with this order form.

HCPCS codes provided should not be considered as legal advice and do not guarantee reimbursement. DME providers are responsible for determining the appropriate billing codes when submitting for insurance reimbursement. Payer coding, coverage, and bundling guidelines may apply. All prices are MSRP. Prices, specifications, option numbers, and availability are subject to change without notice. Prices and option numbers as shown are only available when configured as a complete power chair. Please contact technical service for accurate parts ordering.

Thank you for choosing Quantum!

STEALTH SEAT CUSHION

Optional. Specific cushion/component sizes available, part numbers, weight capacities, MSRP, HCPCS code, and special order cushions will be found on the respective complete Stealth Cushion Order Forms. Part numbers in this section are for reference only. This section allows a quick selection of a single cushion that matches the seat pan width and depth to alleviate listing all part numbers and codes on this power base form. The complete cushion part number and MSRP is a product of the cushion model, top foam, liner, cover, width, and depth as shown below. Reference the subsequent chart for available top foam, liner, and cover options for each cushion type. See specific cushion order form for all sizes, top foam, liners, covers, parts numbers, and MSRP.
